Program Description:

Shoreline Community College offers a short-term program in General Business Administration leading to a Certificate of Completion (CC) and an entry level position in the business field. Students interested in advancement are encouraged to enroll in a longer course of study to complete a Certificate of Proficiency (CP) or an Associate in Applied Arts and Sciences degree in General Business Administration (AAAS). Those interested in pursuing a four-year baccalaureate degree in Business should follow the Business Associate in Arts (AA-DTA) transfer degree planning guide.

General Business Administration—What is it?

The study of Business Administration includes a broad base of knowledge and skills to be effective in many business environments. Students acquire an overview of business principles, marketing and supervision. Students are required to take thirty of general business courses that can be applied toward a Certificate of Completion or an Associate of Applied Arts and Science degree.

Program Outcomes:

Students who successfully complete this program **-by achieving a GPA of 2.0 or better for the entire program-** should be able to understand the basics of business administration: marketing, supervision, finance and professional communications.

Career Opportunities—What can I do with a Certificate in General Business Administration?

Graduates who complete this certificate develop knowledge and skills to work in a variety of business environments to include marketing, advertising, management trainee, and professional sales. Salaries vary depending upon position, level of responsibilities and previous experience.

Potential employers include: Small businesses, retail businesses, wholesale businesses, distribution centers, service industries and private industries. For more, please visit career information and resources at <http://www.shoreline.edu/counseling-center/career-counseling.aspx>.
