## Program Description:

Shoreline Community College offers a short-term program in International Trading leading to a Certificate of Completion (CC) and an entry level position in the industry. Students interested in advancement are encouraged to enroll in longer courses of study to complete additional certificates or associate degrees.

## International Trade—What is it?

Students acquire an overview of international trade theory, interrelationships among world cultures, legal systems, and natural and economic environments. Students learn basic principles of exporting and importing. The program prepares graduates for a variety of careers in international trade and business.

### Program Outcomes:

This short-term certificate is offered to those who would like to update their knowledge of international trade and business and understand the principles of business finance and management on a global scale. **A grade point average of 2.0 or better for the entire certificate** is needed in order to obtain the certificate.

## Career Opportunities—What can I do with a Certificate in International Trade?

The Puget Sound area is a major player in the development of trade and business opportunities in developing world market. Graduates are prepared for employment in domestic and foreign companies operating in the global marketplace.
