

Where does my path start?

You will complete an Associate of Arts – Direct Transfer Agreement (AA-DTA) at Shoreline.

Use the AA -DTA Degree Planning Guide, with this sheet, to understand the requirements for graduation.

Once you complete your Shoreline degree, you can transfer to a four-year school to earn a baccalaureate degree in Environmental Studies, Environmental Conservation, Natural Resources, and Sustainability Studies.

Students who want to focus on the scientific aspects are recommended to follow the Environmental Science—Associate in Science degree.

What is environmental studies?

Environmental Studies integrates knowledge across the natural sciences, social sciences and the humanities to explore the effects of human activities on the natural world. Students learn to identify environmental problems, analyze causes and develop solutions to promote preservation, sustainability and stewardship of the natural world.

Contemporary issues in Environmental Studies: Climate Change, Resource Depletion, Renewable Energy and Green Technology, Sustainability, Habitat Restoration, Environmental Policy and Environmental Justice.

Where can I go for help?

What can I do with a Bachelor's Degree in Environmental Studies?

Environmental Studies majors develop knowledge and skills to work in a variety of workplace settings—from environmental law and urban planning, to air, water and waste management, students develop skills in critical thinking, communications, consultation, negotiations, advocacy, community education, public policy and legislation.

Potential employers include: Local, state and federal government, environmental protection agencies, natural resources conservation services, U.S. Forest Service, National Park Service, environmental research laboratories, consulting firms, colleges and universities, waste management companies, political action committees, law firms, architectural firms, treatment plants, American Indian nations, utilities and timber companies, land trust organizations, business, and non-profit organizations and foundations. For more, please visit <http://www.shoreline.edu/counseling-center/career-counseling.aspx>.

 <p>Humanities (15 Credits)</p>	<p>Recommended: CMST& 220, ENGL& 230</p>
 <p>Natural Sciences (15 Credits)</p>	<p>Recommended: BIOL& 211-213, BIOL 107, 144, CHEM& 121, CHEM 171/181, ENVS& 101, GEOG 203, 204, GEOL& 101, 110, MATH& 141, 142 (prereq for 151, PHYS& 121), 146, 151, 152, MATH 111, 211, OCEA& 101, PHYS& 114, PHYS 110</p>
 <p>Social Sciences (15 Credits)</p>	<p>Recommended: ANTH& 206; ECON& 201, HIST& 219, HIST 218, POLS& 202</p>
 <p>General Electives (Minimum 25 Credits)</p>	<p>Recommended: Consult with SCC advisors for recommended electives and choose courses as required by transfer institutions. World Language if required for university admission or graduation.</p>

Where can I transfer and what does my chosen four-year school require?

Before choosing classes, become familiar with the four-year program where you want to apply: visit the website, email the department, and/or speak with a Shoreline advisor. Below are examples from Washington schools with different admissions and graduation requirements. Check with the school for world language requirements. (Non-native speakers of English are often exempt from this requirement.)
