

Secondary Education

Major Preparation Sheet 2017-2018

Where does my path start?

You will complete an Associate of Arts – Direct Transfer Agreement (AA-DTA) at Shoreline.

Use the [AA -DTA Degree Planning Guide](#), with this sheet, to understand the requirements for graduation. Use this guide with the Major Preparation Sheet for the discipline or major area of study you want to teach.

Once you complete your Shoreline degree, you can transfer to a four-year school to earn a baccalaureate degree in an area of study that you plan to teach.

What is Secondary Education?

Secondary Education programs prepare teachers to teach in middle schools and high schools. In addition to completing a teacher education program and residency certificate, students must complete a baccalaureate degree in a subject area that is endorsed by the Office of Superintendent of Public Instruction (OSPI) in Washington State. www.k12.wa.us/certification. Some universities offer teacher education programs that can be completed within a bachelor's degree, while others offer a post-baccalaureate certification program or certification in conjunction with a graduate degree program.

Where can I go for help?

Secondary Education Faculty Advisors

Contact faculty in the specific discipline or major area of study that you want to teach.

What can I do with a Bachelor's Degree in Secondary Education?

Secondary education teachers have the knowledge, skills and credentials to teach in middle schools and high schools, as well as many other career fields depending on their area of expertise.

Potential employers include: Private and public middle schools and high schools, boards of education, federal, state and local governments, Health and Human Services, business, private foundations, and non-profit organizations. For more, please visit <http://www.shoreline.edu/counseling-center/career-counseling.aspx>.

What courses should I take?*

	<p>Required: ENGL& 101; ENGL& 102; One course in Multicultural Understanding; One course in Quantitative/Symbolic Reasoning</p> <p>Recommended: See Major Preparation Sheet for the recommended Math for your major.</p>
	<p>Recommended: CMST& 101 or 220; World Language if required for university admission or graduation</p>
	<p>Recommended: PSYC& 100, 200; SOC& 101</p>
	<p>See Major Preparation Sheet for the recommended General Electives for your major.</p>

Where can I transfer and what does my chosen four-year school require?

Before choosing classes, become familiar with the four-year program where you want to apply: visit the website, email the department, and/or speak with a Shoreline advisor. The following colleges in Washington offer a bachelor’s degree with certification in Secondary Education (U), a graduate degree program with certification in Secondary Education (G), or both, which may require specific courses for admission. Check with the school for world language requirements. (Non-native speakers of English are often exempt from this requirement.)
