## Program Description:

Shoreline Community College offers a short-term program in leading to a Certificate of Completion (CC) in VCT Digital Video. Students interested in advanced knowledge and skills are encouraged to enroll in a longer course of study to complete a Certificate of Proficiency (CP) or an Associate in Applied Arts and Sciences (AAAS) degree in Visual Communication Technology. Students pursuing a four-year baccalaureate degree should follow the Associate in Fine Arts (AFA) degree planning guide.

---

## VCT Digital Video —What is it?

This program is designed for students requiring an integrated foundation of knowledge and practice in visual design principles in pre- and post- production of video.

### Program Outcomes:

Students who successfully complete this program—**by achieving a GPA of 2.0 or better for the entire program**—should be: Prepared for positions and course studies for multimedia and web video applications, graphic design, illustration, and interactive design.

---

## Career Opportunities—What can I do with a Certificate in VCT Digital Video?

Graduates are hired as production assistants, multimedia assistants, design staff, graphics preparer, and web/video editors.

**Potential employers include:** Advertising agencies, publication houses, editing departments, news agencies and media development departments. For more, please visit career information and resources at
