## Program Description

The certificate is designed for students who have demonstrated effective parenting skills through participation in a college-affiliated cooperative preschool. This certificate provides training for parents (or parent figures) in clinical setting. It enhances skills in child development, family relationships, and related topics that lead to effective parenting.

J010A

**Parenting Skills—What is it?** Students who earn this certificate will be able to demonstrate parenting skills that include knowledge of child development, effective communication with young children, positive guidance techniques, ability to foster socio-emotional and cognitive skills, and creation of a positive environment for early learning.

### Program Outcomes:

Students who successfully complete this program should be able to:

1. Describe young children in terms of physical, social, emotional, and cognitive development.
2. Demonstrate cooperative strategies for working with young children and adults in a group setting.
3. Use developmentally appropriate and supportive language when communicating with young children.
4. Evaluate and apply appropriate guidance techniques with young children.
5. Demonstrate an understanding of how children learn through play.
6. Plan and implement curriculum for young children.
7. Identify a variety of viewpoints on parenting and child development issues.
8. Understand the influence of culture, language, gender, birth order, and other factors in child development and parenting practices.
9. Access parenting information and resources from a variety of sources.

**Career Opportunities—What can I do with a Parenting Skills Certificate?** Students who earn this certificate may find it helpful in obtaining employment as child care providers, nannies, or caregivers.

**Potential employers include:** Certificate holders can be employed by government and private industry. The field also provides opportunities for temporary employment, and part-time work. For more, please visit career information and resources at [www.shoreline.edu/acc/CareerCounseling.aspx](http://www.shoreline.edu/acc/CareerCounseling.aspx)

### ADDITIONAL INFORMATION

**Transferability of Skills & Credits:** The skills learned in obtaining this short-term certificate are transferable to other settings, including the workplace, school, and community. Parenting Education credits are restricted elective credits, which means that up to 15 credits may be applied towards certificate of degrees in related program area. All Parenting Education courses may be applied to this certificate.
